PROJECTS

Jewelry-Shop

My latest project, I tried to focus on thoughtful design and securing necessary resources. My goal was to guarantee users a seamless and satisfying experience by creating friendly UI.

I have included a link to the source code and a link to access the project live.

[01/07/2023 – 15/07/2023] **Next-project**

In this project, I emphasized building a user-friendly interface. The goal was to enable users to download any picture using an API. I ensured the project was fully responsive, delivering a seamless experience across all devices.

I have included a link to the source code and a link to access the project live.
